GENERAL INFORMATION

The KNDOP program issues permits for the construction and operation of facilities which manage their wastewater in accordance with 401 KAR 5:005 Sections 24 and 25. The proposed permits for these facilities do not authorize a discharge of wastewater to Waters of the Commonwealth and if such a discharge commences, it is in violation of this permit. The proposed permits are drafted in accordance with applicable provisions of the Kentucky Revised Statutes and appropriate regulations. The permit conditions are tentative and open to comment from the public. Persons wishing to comment upon or object to the proposed action (permit issuance, modification or termination) or the proposed permit conditions are invited to submit comments to the Division at the following address: **Department for Environmental Protection, Division of Water, Frankfort Office Park, 14 Reilly Road, Frankfort, Kentucky 40601, Attention: Inventory & Data Management Section.** The comments must be received by the comment due date stated at the beginning of this notice. The applicant's name and KNDOP number should be included in the comments. After consideration of comments submitted during the comment period, the Director of the Division will make a determination regarding final permit action.

Permit applications, draft permits and additional information are available by contacting the Division of Water. Business hours are 8:00 a.m. to 4:30 p.m. Monday through Friday, except for holidays. A copy machine is available for public use at 10 cents per page. Three (3) days advance notice may be required for inspection of files. **Please bring the preceding to the attention of persons whom you know will be interested.**
